Newport, Jan. 25, 1911  
Kentucky Wagon Mfg. Co., Louisville, Ky.  
Gentlemen: I have an "OLD HICKORY" wagon that I have had in steady use for 4 years and the wagon is better and gooder. I often put a load of six thousand pounds on this wagon and haul over rough ground. It has never been bent under cover. Yours truly, J. A. BAILEY.

Do you think the "OLD HICKORY" wagon could possibly have served Mr. Bailey so well, lasted through so many years of constant use, carried such excessive loads, stood the abuse it received, and done it all in so thoroughly satisfactory a manner, if it had not been manufactured out of the finest selected timber in the world for axles, hubs, spokes, felloes, hounds, rollers, reached and beds, and then every part built exactly right?

They are Easy Runners and hold the ground well.

AS GOOD WAGONS ARE NOT MADE AT ANY PRICE and it will pay you to examine the "OLD HICKORY" before you buy.

Manufactured only by the KENTUCKY WAGON MFG. CO., LOUISVILLE, KY.
